

Hager Lumina Soul

The frame fits perfectly when put on from the top, but this requires removing the plastic clips.

SIMON 54

The frame fit perfectly.

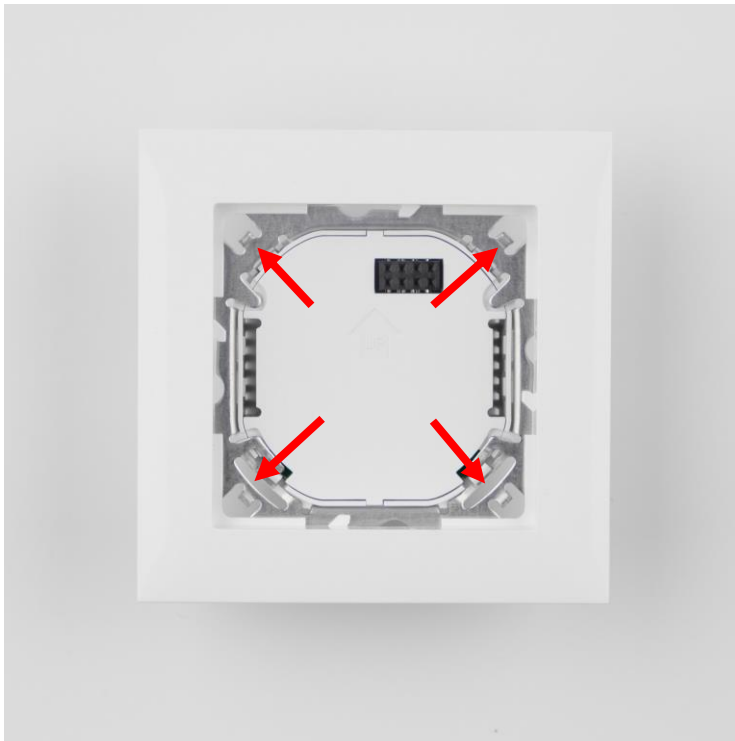

SIMON 55

Fitted without interference, there is a minimal gap.

BERKER S.1 (B. QUADRAT)

To adjust the frame, bend the mounting plates. A small gap remains between the thermostat and the frame.

LEGRAND SUNO

The frame remains loose even after bending the mounting plates, and a gap remains between the thermostat and the frame.
